

# WHAT ARE THE RISKS OF NOT USING A PAYMENT PROCESSOR

## 1) E-COMMERCE RISK WITHOUT CREDIT CARD PROCESSING

No credit card processing means lost sales.

## 2) HIGH-RISK PAYMENT CHALLENGES

CBD and high-risk industries face hurdles without tailored payments.

## 3) CRUCIAL CREDIT CARD PROCESSING

Ignoring it erodes customer trust.

## 4) SEAMLESS PAYMENTS WITH GATEWAYS

Secure gateways prevent data breaches.

## 5) IMPORTANCE OF MERCHANT ACCOUNTS

Dedicated accounts are vital for efficient transactions.

## 6) CREDIT REPAIR NECESSITY

Specialized processing is crucial.

## 7) CBD MERCHANT GROWTH

Specialized processors are essential for sustainable growth.
